

PRE-INSTALLED SOFTWARE LICENSE TERMS

Version Singapore 2019.7.15

These Pre-installed Software License Terms apply to any quote, order, and order acknowledgment, and any license or delivery of software pre-installed on any KLA Hardware by KLA Corporation, One Technology Drive, Milpitas, California 95035 ("KLA") to any acquirer ("Customer"). KLA does not accept, expressly or impliedly, and KLA hereby rejects, any additional or different terms or conditions that Customer presents, including, but not limited to, any terms or conditions contained or referenced in any order, acceptance, acknowledgment, or other document, or established by trade usage or prior course of dealing, unless KLA expressly and unambiguously agrees to such terms and conditions in a duly signed writing. By ordering, receiving, accepting or using products or otherwise proceeding with any transaction after receipt of these Pre-installed Software License Terms or after otherwise being notified that such transactions are subject to these Pre-installed Software License Terms, Customer agrees to these Pre-installed Software License Terms and KLA's General Terms and Hardware Sales Terms, which are incorporated by reference herein and are either attached hereto, or available at www.kla.com/terms, or on request.

1. DEFINITIONS AND SCOPE

The definitions in KLA's General Terms and Hardware Sales Terms apply. These Pre-installed Software License Terms apply to (i) Software pre-installed, or to be installed, on any KLA Hardware governed by KLA's Hardware Sales Terms; and (ii) Work Product governed by KLA's Hardware Sales Terms. Computer programs that are to be installed on Third Party Products are governed by KLA's Standalone Software License Terms, which are available at www.kla.com/terms or on request. Work Product provided by KLA under separate services arrangement (including, but not limited to, maintenance services, time & materials services, or fixed fee services) is governed by the applicable KLA services terms.

2. RIGHTS TO SOFTWARE, DOCUMENTATION, AND WORK PRODUCT

2.1 All Rights Reserved. KLA Corporation owns, retains and reserves ownership, title, and all rights and interest, including, but not limited to, all Proprietary Rights, in and to the Software, Documentation, and Work Product, subject only to the limited rights that KLA expressly grants in Section 2.2 (Limited License) and 2.4 (Copies). Without limiting the foregoing, Customer acknowledges that nothing herein shall constitute a sale of any Software, Documentation, or Work Product (or any Intellectual Property in and to Software, Documentation, Work Product and Hardware) including any copies and portions thereof.

2.2 Limited License. KLA grants Customer a personal, non-sublicensable, non-exclusive, non-transferable, limited license, solely for Customer's internal activities related to Customer's manufacture, inspection, analysis, or testing of semiconductor wafers, to (i) upload and use copies of the Software solely in the working memory of the Hardware on which KLA has installed the Software and solely in accordance with the applicable Documentation; and (ii) use Documentation and Work Product solely in connection with Hardware. Customer may create and use a reasonable number of copies of Work Product as necessary for Customer's internal use of the Hardware in accordance with this Section 2. Customer may retain for backup and archival purposes any separately delivered (*i.e.*, not pre-installed) copy of Software and Documentation, and create one additional backup copy of each such copy, on the condition that Customer (a) stores such copies separately from any actively used computer programs and manuals; (b) keeps records of such backup copies indicating the location of its storage; and (c) provides such records to KLA upon request. KLA's license grant is conditioned on Customer's continuous compliance with all license limitations and restrictions described in these Pre-installed Software License Terms and if Customer violates any of these limitations or restrictions, the license grant will automatically and immediately expire. Customer acknowledges that this Section 2.2 defines the scope of rights that KLA grants to Customer and that any usage of the Software, Documentation, and Work Product outside the scope of that license grant and the scope of any statutory rights constitutes an infringement of KLA's Proprietary Rights as well as a material breach of these Pre-installed Software License Terms.

2.3 License Restrictions. To the fullest extent permitted by applicable law, Customer agrees not to (i) create any derivative works based on the Software, Documentation, or Work Product or modify or alter the Software, Documentation, or Work Product in any manner whatsoever; (ii) sell, sublicense, lease, rent, loan, assign, convey or otherwise transfer the Software, Documentation, or Work Product to any third parties; (iii) copy or use the Software, Documentation, or Work Product for any purpose or in any manner not expressly permitted by these Pre-installed Software Terms; (iv) use the Software, Documentation, or Work Product outside the permitted scope of the license; (v) use the Software, Documentation, or Work Product, in any format, through any timesharing service, service bureau, network or by any other means, for or in the interest of any third party; or (vi) permit or encourage any third party to do any of the foregoing. Customer shall cooperate with KLA, and shall render all reasonable assistance requested by KLA, to assist KLA in preventing and identifying any use of, or access to, the Software and Documentation, and Work Product by anyone in violation of these Pre-installed Software License Terms.

2.4 Notices. Customer shall not remove, alter or obscure any copyright, patent, trademark notice or other legal legend that appears on the Products and shall completely and accurately reproduce the same on any copies of the Products made hereunder.

2.5 Transfers and other Actions under Mandatory Law. If Customer sells or otherwise transfers to a third party any Hardware or media in which any Software or Work Product is embedded or otherwise contained, Customer shall remove or delete all such Software and Work Product prior to the transfer, unless KLA confirms in writing that the transferee has entered into a license agreement with KLA for such Software and Work Product and has paid the applicable license fees. To the extent that Customer is expressly permitted by applicable mandatory law to transfer the Software or Work Product to a third party, or copy, or use the Software or Work Product in any manner not expressly authorized under these Pre-installed Software License Terms, Customer agrees to refrain from exercising such rights unless and until Customer has given KLA three (3) weeks' prior written notice of Customer's intent to exercise any such rights and KLA has not offered reasonable alternatives to Customer's exercise of the mandatory rights within such three (3) week period.

2.6 Termination for Cause. Without limiting Section 2.2 (Limited License) with respect to the automatic termination of license rights for specific Software, Documentation, and Work Product, KLA may terminate — at its sole discretion either all or specific — licenses granted hereunder by giving written notice, effective immediately, if within ten (10) days of Customer's receipt of a reasonably detailed written request to cure, Customer has not cured all breaches of its payment obligations, license limitations and restrictions, or any other substantial obligations under these Pre-installed Software License Terms. Upon such termination, Customer shall immediately pay all outstanding fees, cease use of all Software, related Documentation, and Work Product, return or delete, at KLA's request and sole discretion, all copies of the Software, Documentation, and Work Product in Customer's possession, and certify compliance with all foregoing obligations to KLA in writing. These termination rights are in addition to any other rights and remedies that KLA may have at law or in equity.

2.7 Survival. KLA's Hardware Sales Terms, General Terms and these Pre-installed Software License Terms, except Section 2.2 (Limited License), shall survive any termination of any or all licenses granted hereunder.

2.8 Audit. Customer agrees to keep complete, correct and detailed records relating to (i) the reproduction and use of the Software, Documentation, and Work Product, including, at a minimum, the location of all Software, Documentation, Work Product, and back-up copies of Software and Documentation, and Work Product; and (ii) the transfer of Hardware or media on which any Software or Work Product is embedded or otherwise contained and Customer's compliance with its obligations under Section 2.5 (Transfers and other Actions under Mandatory Law). At KLA's request and upon ten (10) days' prior written notice, KLA and/or its authorized representatives (*e.g.*, an accountant and/or computer expert) — collectively, the "Auditors" — shall have the right to inspect and audit Customer's compliance with these Pre-installed Software License Terms at Customer's facilities and other applicable locations, at any time, during normal business hours, but no more than twice per year. Customer shall fully cooperate with such audit, and grant all required assistance and access to all records, materials and equipment. If an audit reveals that Customer possesses or at any time possessed unlicensed copies of the Software, Documentation, or Work Product, or that Customer did not remove or delete all copies of Software and Work Product that Customer was obligated to remove or delete in accordance with Section 2.5 (Transfers and other Actions under Mandatory Law), Customer shall immediately pay for such copies the greater of the fees applicable per KLA's standard rates and prices at the time of (a) the Delivery Date; (b) Customer's unauthorized copying; or (c) the completion of the audit. If such fees amount to more than ten percent (10%) of the amount previously paid or payable to KLA under these Pre-installed Software License Terms for the audited time period then (y) Customer shall reimburse KLA for all expenses related to the audit; and (z) KLA shall have the right to immediately terminate — at its sole discretion either all or only the affected — licenses by giving written notice, effective immediately. The Auditors shall not disclose any of Customer's information except as related to any non-compliance with these Pre-installed Software License Terms or infringements of KLA's rights. KLA's rights and remedies under this Section 2.8 shall be in addition to and not in lieu of any other rights or remedies that are available to KLA at law or in equity.
